You are eligible if you:

- Are 18 or older
- Have a Social Security Number
- Plan to apply for U.S. Citizenship in the next 60 days (Form N-400 or N-600)
- Consent to having your credit pulled and reviewed to meet minimum credit requirements*
- Can provide proof of income*
- Have a US debit card that can be used to make monthly payments

** If you're unable to meet credit requirements or provide proof of income, you may still be eligible by applying with a qualified co-borrower. Visit [OnePercentforAmerica.org](https://www.onepercentforamerica.org) to check if we lend in your state and learn more.*

OPA is a community-driven, nonprofit organization. Every loan repayment is reinvested to help the next borrower. With the OPA 1% interest loan, taking a step forward for yourself means you're supporting someone else on their path to citizenship.
